

Naíonra Lorgan is an Irish language preschool which follows Aistear and a High/Scope approach. It is based on the school grounds.

Pre-school hours are 8:50am until 12.00pm, preschool children can stay from 12:00pm until 2:00pm daily for a small fee Monday to Friday, 38 weeks of the year. We also have a breakfast club from 8:00am – 8:50am. Our afterschool starts at 1:30 until 5:30pm daily.

Here in the Naíonra we provide a high quality, welcoming preschool service to children and parents, offering the young child the opportunity and support to acquire the Irish language naturally, and in the case of those children whose home language is Irish, to facilitate the enrichment of that child's first language, all through the medium of play. We aim to enhance the total development of the child by providing a varied and stimulating curriculum and supporting the role of the parent in the development and education of their child. We have a large playground with sand, water, slide ride on toys, prams for all the children to enjoy.
